COVID-19 PAYMENT POLICY FOR PATIENTS WITHOUT INSURANCE:

On March 22, 2022, the government funded Uninsured Program for COVID-19, funded by for the Human Resources & Services Administration (HRSA) stopped accepting claims due to a lack of funds. **Payment for any COVID-19 treatment, including testing, provided after March 22, 2022, will be the responsibility of the patient/guarantor.**

On April 5, 2022, the funding for HRSA's Uninsured Program for the administration of the COVID-19 vaccines also ran out of funding. **While the cost of the vaccine is still free, the administration costs associated with a vaccine will be the responsibility of the patient/guarantor.** This fee covers the costs related to providing the vaccine, including but not limited to staff costs, supplies, etc.

COVID-19 PAYMENT POLICY FOR PATIENTS WITH INSURANCE:

Due to the variation of payment policies amongst insurance companies, we are currently not collecting Patient co-pays at the time of service for COVID-19 specific visits. **Depending on payment policies determined by your insurance company, you may receive a bill at a later date for an outstanding patient responsibilities including co-pays, deductibles or co-insurance amounts after your insurance company processes your claim.** You will be responsible for payment of those amounts not covered by your insurance. If you have questions about what your insurance covers, please contact your insurance carrier.
